

CIRCLE *of* PROTECTION

September 12, 2019

Dear Candidate:

Thank you for your willingness to stand for election to the office of president of the United States. The calling to public service is a sacred vocation. We hold you, and all of the candidates for nomination and election, in our prayers.

As national leaders from all the major branches of Christianity, we care deeply about many issues facing our country, but ending hunger and poverty is a top priority of our work together. We are alarmed by the economic and racial divisions in our country and welcome ways that you might bring our country together. We are praying for a president who will make ending hunger and poverty a top priority of his or her administration. Are you that leader?

We are making a simple request of each candidate:

Please produce a three-minute video telling the American people what you would do as president to offer help and opportunity to hungry and poor people in the United States and around the world.

It is our intention to distribute candidates' videos broadly among our churches and to the public. In the last presidential elections, both general-election candidates made statements, and nearly all the primary-election candidates gave us videos. We secured 85 million media impressions about the videos and urged the tens of millions of people in our churches to watch them.

The Circle of Protection will not publicly evaluate your policy positions or endorse any candidate. Our goal is simply to make ending hunger and poverty part of our nation's election dialogue.

God told Samuel, as he was choosing a national leader from among Jesse's offspring, to look at their hearts (1 Samuel 16). We will be calling on people of faith to examine presidential candidates to see if they have a heart for poor and hungry people. We want to know how each candidate proposes to fulfil the mandate to those who govern to "give deliverance to the needy" (Psalm 72).

Thank you again for your public service. May God bless and guide you in the months ahead.

Sincerely,
